Games usually will be played on weekends in the Spring and Fall. The Summer Leagues will have games on any day you wish to play. We pride ourselves on accommodating our team's needs. A: Games can be anywhere from Eastern Queens to Central Suffolk. We will not schedule games more than a 30-minute drive from your home area unless you request it.

### Q: How do I rate my team?

Elite Rating: You are a strong "A" level team and can challenge any team with confidence.

A Rating: You are an "A" level team. You have an All-Star Caliber team. You are competitive with most A teams.

B Rating: You are a "B" level team. You have some strong players and some weak ones.

C Rating: You should be a weaker "B" level team or a stronger "C" level team. You have at least one pitcher that is decent.

D Rating: You should have a very weak team. D rated teams would be compared to rec teams.

If you won your division or went the season with less than 2 losses you should bump your rating up. We will consider your prior records (if available), and location when creating divisions. Rating systema are not perfect; but do even out the competition.
